

Readoption Review

Public and Semi-Public Swimming Pools 410 IAC 6-2.1

IC 4-22-2.5-3.1(c) requires an agency to conduct a review to consider whether there are alternative methods of achieving the purpose of the rule that are less costly or less intrusive, or that would minimize the economic impact of the proposed rule on small business.

Description of Rule:

This rule provides standards for the safe and sanitary operation and maintenance of public and semi-public swimming pools.

Readoption Analysis:

- 1) **Is there a continued need for this rule? Please explain.**
Yes, the predominate purpose and effect is to address matters of health and safety by making sure that swimming pools are operated and maintained in a safe and sanitary manner to prevent injuries and illnesses.
- 2) **What is the nature of any complaints or comments received from the public, including small business, concerning the rule or the implementation of the rule by the agency?**
The Indiana Department of Health has not received any significant complaints or comments about the implementation of this rule since the last review.
- 3) **Examine the complexity of the rule, including difficulties encountered by the agency in administering the rule and small businesses in complying with the rule.**
This rule is not complex. The agency has not encountered any difficulties administering it and small businesses have not had difficulties complying with it.
- 4) **To what extent does the rule overlap, duplicate, or conflict with other federal, state, or local laws, rules, regulations, or ordinances?**
The rule does not overlap, duplicate, or conflict with other federal, state, or local laws, rules, regulations, or ordinances.
- 5) **When was the last time the rule was reviewed under this section or otherwise evaluated by the agency, and the degree to which technology, economic conditions, or other factors have changed in the area affected by this rule since that time?**
The rule was last reviewed in 2015 and factors have not changed since that time.
